TO: Each Health Deputy

FROM: Patrick L. Ogawa, Director   
Alcohol and Drug Program Administration

SUBJECT: **FUNDING REALLOCATION FOR ADDICTION RESEARCH  
AND TREATMENT, INC., CONTRACT NO. H-701257**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Addiction Research and Treatment, Inc. using the delegated authority granted by approval of Board Agenda Synopsis #42, May 31, 2005. This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding reallocation to enable the agency to maximize contract services and funding. Alcohol and Drug Program Administration is proposing to adjust the contract as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment  
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

PLO:meg

## ATTACHMENT 1

### Narcotic Treatment Program Services (Federal Drug/Medi-Cal)

Narcotic treatment program services provide for the administration of methadone and/or levoalphacetylmethadol, at relatively stable dosage levels for a period in excess of 21 days, as an oral substitute narcotic drug accompanied by ancillary social and medical services for individuals 18 years or older who have a history of two or more years of dependence on heroin or other morphine-like drugs, and two or more failures in alternative treatment programs. Services are provided to Medi-Cal eligible beneficiaries.
